At *Not Just Sundaes* we really want to make a difference in the local community and are proud to sign up to offering Suspended Coffees.

***The idea of suspended coffee is simple:***

Customers that would like to support this part of the project are able to purchase a suspended coffee or soup. They pay for this the same way as if they were consuming it and the money is run through the till but the coffee or soup will just not be served. We have a jar with two different coloured tokens in it, one representing the suspended coffees and another, the suspended soups. Once this item has been paid for, the correctly coloured token is added to the jar.

When someone who can't afford a coffee comes in, they can ask whether there are any 'suspended' coffees or soups. If there is a token in the jar, they can claim it and are given a free coffee or soup. The transaction is then considered complete.

***Who is eligible to receive the free coffee/food?***

The premise is that anyone in need can seek this out. We don't believe it is for us to judge who is in need and who is not. Ultimately, if someone is approaching us to ask for a suspended coffee, they are probably in need in some way. When we say "in need", it's not just someone who is homeless. It may be a single mother of four children who can't afford coffee that month in the grocery shopping. She may just need a coffee to get her through the day and a break while all her kids are at school. You may have a man walk in, well-groomed and dressed in a business suit...you may not think from appearances that he is "in need", but he may be on skid row and in his 16<sup>th</sup> week of job hunting. It can be for a student struggling with exams.

It's all about using spreading a little kindness by paying it forward;

.....it's about more than coffee

**So what's it all about?**

Not Just Sundaes is an independent registered charity that started trading in May 2013.

The majority of our staff are volunteers from the local community. We aim to provide a welcoming space for all with great service and refreshments.

Any profits we make go towards our Youth Project, which supports and encourages the young people of the town and surrounding area.

**Thank you for your support.**
